Dedication

It has been said it takes a village to raise a child but it also could be said that in takes a volunteer to make a village. Our village of Center Harbor has been blessed to have such volunteers who give tirelessly of their time, skills and devotion to the enrichment of our community. Center Harbor has over 42 volunteers on committees and commissions and the Center Harbor Community Development Association (CHCDA). Without these volunteers our Town government, that exists to serve the people, wouldn't function anywhere near as efficiently and effectively as it does. It is most appropriate that our 2017 Town Report be dedicated to those individuals and the selfless service they provide. On behalf of everyone who lives and works in Center Harbor, we say

Thank you!

CENTER HARBOR
TOWN MEETING
MODERATORS' RULES OF PROCEDURE

Unless changed by the voters at the Meetings, the Town Moderator will use the following Rules of Procedure to conduct the Meeting:

1. The Moderator will NOT follow Robert's Rules. The Moderator will use the following general rules of procedure, whose main purpose is to keep the meeting moving, and not get bogged down in procedural quagmires.

2. By majority vote, the voters can overrule any decision that the Moderator makes and any rule that the Moderator establishes. A voter can raise such a request by Point of Order.

3. The Moderator will take Articles in the order that they appear on the Warrant unless the Moderator announces the intent to take Articles out of order.

4. The Moderator will consider each Article, as follows:
 a. The Moderator will announce the Article number, and will read the text of the Article.
 b. The Moderator will recognize a member of the Board of Selectmen, or the petitioner (if a petitioned Article) to move the adoption of the Article.
 c. If the Motion is seconded, the Moderator will recognize a member of the Board of Selectmen or the petitioner, to explain the Article.
 d. The Meeting will debate and then vote on the Article.

5. Everyone who speaks must use the microphone so they can be heard. (The Moderator will announce the location of the microphone in the Meeting room.) If a voter is unable to reach one of the stand-up microphones, the voter should raise his/her hand and one of the hand-held microphones will be provided.

6. No one may speak unless he or she has the floor.
 a. No one may have the floor unless recognized by the Moderator.
 b. Except for Points of Order, the Moderator will not recognize speakers unless they raise their hand to be recognized.
 c. Each speaker must provide his/her name and address.
 d. Even if a voter does not have the floor, a voter may speak to raise a Point of Order, to challenge a Moderator's ruling, or to overrule the Moderator.

7. The Moderator will allow only one motion on the floor at a time. There are two exceptions to this rule:
 a. A voter may raise a Point of Order at any time.
 b. If a voter has the floor, the voter may make

i. A motion to amend the pending motion, or
ii. A motion to Call the Question.

8. The Moderator will not accept negative motions, which are motions that require a "no" vote to vote in the affirmative such as "I move that we not adopt the budget".

9. Motions to Call the Question limit debate and require a 2/3 vote. If passed, these motions stop debate on a motion and the motion is immediately voted upon. The Moderator shall have the right to refuse to recognize a Motion to Call the Question, if, in the Moderator's opinion, the voters have not yet had an adequate opportunity to discuss an issue.

10. Non-voters may not speak at the Meeting without the permission of the voters except the Moderator will allow non-resident Town officials and consultants or experts who are at the Meeting to provide information about an Article to speak.

11. All speakers must be courteous and must speak to the issues, not the individuals raising them. The Moderator will not allow personal attacks or inappropriate language.

12. If any person behaves in a disorderly manner, and after notice from the Moderator, persists in such behavior, or shall in any way disturb the Meeting, or willfully violate any rule of procceding, the Moderator may have a police officer, or any legal voter of the Town, remove such person from the Meeting. (RSA 40:8).

13. All questions and comments should be addressed to the Moderator. The Moderator will choose who responds to the questions.

14. With the exception of initial presentations on Articles which the Moderator requests be limited to five (5) minutes, all speakers in debate will be limited to three (3) minutes.

15. Each speaker may only speak once until everyone has spoken.

16. The Moderator may determine the method of voting except as determined by law. However, any voter who doubts the accuracy of any non-counted vote may require the Moderator to determine a vote by a counted show of hands or counted standing vote.

17. Any vote on a bond issue of over $100,000 must be voted on by secret ballot. In addition, any five (5) voters may require that the vote on any Article or question be by secret ballot. To do so:
 a. All five (5) voters must be present and identified, and
 b. The request must be presented in writing to the Moderator prior to the end of debate on the Article or question.

18. Motions to Reconsider an Article may only be made immediately after the vote on the Article, and may only be made by a voter who voted on the prevailing side of the vote

to be reconsidered. However, the following limits may apply to the reconsideration of an Article:

a. Mandatory Restriction: In accordance with RSA 33:8-a, if a Motion to Reconsider a ballot vote on a bond issue of over $100,000 passes, the Article cannot be reconsidered until a reconvened Meeting that is at least seven (7) days after the original vote. With respect to bond vote, the restriction on reconsideration automatically applies without the need for the Meeting to vote for it.
b. Optional Restriction: Voters may postpone reconsideration of any Article at the Meeting by voting to restrict reconsideration of the Article in accordance with RSA 40:10. If the Meeting passes such a motion, then the Article cannot be reconsidered until a reconvened meeting held at least seven (7) days after the date of the original vote.

Reminder: Since any rule of the Moderator or decision of the Meeting can be reversed or changed at any time prior to the end of the Meeting by a majority vote of the Meeting, there is no rule that can be adopted that can absolutely prevent the reconsideration of an Article.

19. The Moderator may vote on all Articles. However, the Moderator plans to vote only in two (2) instances:
 a. To break a tie
 b. To make a vote a tie vote if a motion the Moderator opposes would otherwise carry by one (1) vote.

Selectmen's Report 2017

Dear Friends and Neighbors in Center Harbor:

In 2017 your Select Board continued efforts to provide transparent, responsive, efficient and effective Town government while maintaining the excellent quality of life we all enjoy living in Center Harbor.

This past year our activities focused on seven general areas:

- Road safety & maintenance
- Ongoing Transparency
- Expense Control
- Continued Operational efficiency
- Ongoing Town beautification
- Ongoing Economic Development
- Continuing efforts to improve and expand transparency

Road Safety & Maintenance

The Town continues to maintain a steady dialogue with the State of NH DOT to improve road safety, and the maintenance of State roadways in Center Harbor. One of the major projects this year has been the Snake River Bridge. The original DOT plan called for replacing and rebuilding the bridge however after extended dialogue with the residents of West Center Harbor the Town successfully lobbied the DOT to repair the existing bridge and retain the historic laid granite abutments. Complete plans are available for inspection in the Selectman's office. A public hearing will be scheduled with DOT in the spring of 2018. In January the Selectmen met with representatives of the DOT, Town Police Department and Road Agent to discuss improving the speed and safety signage on 25-B with particular attention to where 25-B enters the village district.

After the 2017 Town Meeting approved additional road repair funds we embarked on the first phase of restoring the town's roadways. This included:

- Repair and replacement of four failing culverts on Main Street.
- Repaving & repainting Main Street.
- Reconstruction of the granite headwalls where the culverts discharge water onto the green.
- Installation of river rock spillways to dissipate water flow across the green and prevent rutting of the grass.
- Temporary resurfacing of Follet Road to enable winter plowing.

- Replacement of one culvert on Follet Road. This spring the remaining ditching and culvert work will be completed on Follet Road and will be followed by regrading and repaving most of Follett Road.
- Reconstruction of one culvert and road repair on McCrillis Hill Road.

As part of our ongoing transparency effort a summary of additional roadwork to be completed in 2018 has been posted on the Town website. In addition, complete cost summaries for the 2017 road work has been posted on the website as well. Our priority for 2018 is finishing the Follett Road Rehabilitation. A complete plan of 2018 work is on the website and as always hard copies are available at Town Hall for your inspection.

Transparency

We continue to expand the depth and breadth of content available on our new Town website. Additional map layers have been added to the GIS/Town Maps/Assessor Database. In 2016 we had planned to add a dedicated computer terminal in Town Hall for public access to tax cards, however we also upgraded our software and decided to hold off spending the money until the new tax software was installed and was working flawlessly. The dedicated terminal should be installed and operational this spring. Our new community events calendar remains available for any organizations to post their events and meetings. Finally, all records, meeting minutes and other documentation for all committees, commissions and boards are regularly uploaded to the website. If you own and/or operate a business in Town be sure to take advantage of the free business directory on the website which allows you to post photos and information on the products and services you provide.

Expense Control

Center Harbor continues to enjoy one of the lowest tax burdens in the State, but it is a constant struggle to keep expenses (and taxes) as low as possible, especially with the State, County and school assessments beyond our control. For the 2018 budget year the Select Board set an ambitious goal of a ZERO budget increase in the Town portion of the assessment and our department heads responded with budget proposals that got us to our goal. The proposed budget for 2018 is $2,845,738 which is a decrease of $13,311 or .47% under 2017's budget of $2,859,049. We would like to acknowledge our Department Heads for their diligence in meeting our goal and thank them for being good custodians of the budget.

Continued Operational Efficiency

The Fire Department continues to find innovative ways to maintain excellent service levels. The cadet program launched in 2017 expanded the number of free residence positions available. The Cadets live in the firehouse while attending the Fire Academy and in return provide

supplemental coverage for the fire department. They also assist with maintaining the equipment and various chores in the department. It's a win-win for the student Cadets and the Town.

In 2017 the Fire department continued a program that ensures coverage during the busy summer season. Qualified fire fighters from Center Harbor and neighboring towns are paid small per-diems to cover shifts at the fire station. This ensures that the fire department has basic manpower on premise during the busy summer season. Funding for this purpose comes from the existing salary budget which has remained essentially flat.

The Town continues to seek grants, donations of time and services while simplifying systems and procedures wherever possible. Some of the results during 2017 (and ongoing) include:

- Converting all the various forms and applications on the website so users can complete the forms on-line instead of printing them out and completing them by hand. We are also working to enable on-line submission of the forms and applications.
- Continued expansion of the use of part-time police officers and the State Police for supplemental policing duties, avoiding the expense of additional full-time officers.
- The newly created Heritage Commission successfully applied for and received grants for work on both the Town House and Old School House totaling $13,600. This brings the total grant money awarded to the Town since 2015 for historic properties to $48,880.

Town Beautification & Economic Development

The Center Harbor Community Development Association (CHCDA) continues to enhance the visual beauty of the Town and encourage more people to shop, dine and vacation in Center Harbor. The beautiful holiday lighting in the Village Center this past year is a direct result of this effort, and not only did the CHCDA coordinate the effort they generously donated new outdoor lights to the illuminate the Gazebo on the Town green. They also donated a picnic table to the Fire Department as well as placing one dozen Adirondack chairs on the Town green at no cost to the Town.

The CHCDA is continuing their sponsorship of both SkateFest and LobsterFest which draw hundreds of visitors to our Town to shop, dine and enjoy the beauty of Center Harbor.

Other projects of note include:

- Stephens Landscaping continues to donate some of their services and time maintaining plantings throughout the village. This includes the flower barrels along 25-B.
- The vines and weeds that had overgrown the stone wall by the cemetery have been removed exposing the beauty of the historic stone wall that runs along Main Street.
- The Old School House has had a complete assessment done which will form the basis of a plan to repair and maintain this historic resource going forward.

Finally, we thank you for joining us at Town Meeting and exercising your rights in what is really the only remaining form of pure democracy on the planet. We especially thank you for the opportunity to serve the community and preserve the beauty and health of this wonderful little Town we all call home.

Respectfully Submitted

At 7:00 P.M., Wednesday March 15, 2017, the Town Meeting was reconvened in the Fire Station to act upon Article 2 thru 20. Moderator Charles Hanson called the meeting to order. Moderator Hanson started the meeting by thanking the Fire Department, Police Department and Highway Department for keeping the Town safe for voting day due to the devastating storm Stella that caused heavy damage to our roads and our community. He asked any veterans in the audience to stand to be recognized for their service. A round of applause was followed by the reciting of the Pledge of Allegiance. Mr. Hanson introduced the Deputy Moderators William Ricciardi and Peter Louden, Selectmen Harry Viens, Selectman Richard Hanson and Selectman Richard Drenkhahn. He then introduced Town Clerk/Tax Collector Mary Richardson, Selectmen's Administrative Assistant Robin Woodaman and Ballot Clerks Sheila Mohan and Rachel Small.

Mr. Hanson reminded everyone of the rules as the meeting moved forward to the voting on the articles.

Article 2. It was moved by Harry Viens and seconded by Diane Drenkhahn to raise and appropriate the sum of $1,023,402 to defray the Town charges for the ensuing year. ($948,969 appropriated in 2016). The Article passed by majority vote.

Article 3. It was moved by Richard Hanson and seconded by Peter Louden to raise and appropriate the sum of $579,860 for public safety. ($556,549 appropriated in 2016). (Majority vote required). The Article passed by unanimous vote.

	2017 Proposal	2016 Appropriation
Police Department	$319,786	$302,705
Fire Department	$173,092	$168,478
Ambulance	$66,000	$64,121
Lakes Region Mutual Fire Aid	$19,832	$20,095
Emergency Management	$100	$100
Red Hill Fire Tower	$1,050	$1,050

Article 4. It was moved by Richard Drenkhahn and seconded by David Hughes to raise and appropriate the sum of $339,501 for the maintenance of Town Highways and Bridges, including sidewalks and dead tree removal. This appropriation to be offset with estimated $39,169 from State Highway Block Aid and the balance of $300,332 to be raised by taxes. ($347,562 appropriated in 2016). (Majority vote required). The Article passed by majority vote.

Article 5. Special Warrant Article. It was moved by Harry Viens and seconded by Fred Wolf to raise and appropriate the sum of $300,000 to be added to the Town Roads Repairs & Maintenance Expendable Trust Fund previously established. ($100,000 appropriated in 2016). The Selectmen recommend this warrant article by a 2-1 vote. (Majority vote required).

Harry Viens stated that the roads are deteriorating faster than we can fix them. He explained two approaches that were presented in two different public hearings by James Bouchard from the Quantum Construction Consultants, LLC. Unfortunately there wasn't much of a turnout

from the voters at either hearing. The aggressive approach projected at $450,000 per year for 10 years addresses all roadways. The conservative approach $228,000 per year for 10 years addresses high priority and high winter maintained roads. Deferring lower priority roads and conditions for the future. Mr. Viens stated if the Article passed it would add $300,000 to the $250,000 that was already set aside which meant that 25% of the recommended money would be there to meet the 10 year goal. Chris Johnson asked why we hadn't used the $250,000 that was already in the fund previously. Mr. Viens said it was earmarked for road improvements such as culverts and drainage but the Selectmen and Jeff Haines discussed having a plan in place and bringing it to the voters. Mr. Johnson asked who was the Selectman that did not recommend the Article and why? Richard Hanson spoke on the reason he did not recommend the Article. He stated he wanted to draw attention to the proposal especially because there were not many voters at either hearing. He wanted to bring awareness because the Selectboard had not heard a public response from residents on the need for repairs. It wasn't that he was for or against the Article he just wanted some input from voters because it is of such tremendous consequence to the budget and taxpayers. Gwen Bronson asked if we had any inclination what the State would contribute to the Town because she just heard that the State was allocating 37 million dollars to give to municipalities and it was going to be released right away. James Bouchard from the engineering company was there to speak on this Article. He explained the 37 million dollars is going to be used for state roads that are in the town, not town roads. Eric Strapp stated that this is a huge step to embark on. The highway budget keeps going up even when the town discontinued plowing private roads and he has seen no relief in the highway budget since they stopped plowing private roads. Mr. Strapp stated he was against the article. He feels it is too fast and too much. Linda Swenson asked how many roads and would it be state roads as well? Mr. Viens answered by saying no state roads and 17 miles of town roads. Eloise Coudert asked how this is going to impact our yearly taxes. Mr. Viens said it is going to be about $1.00 per $1,000 valuation. Bernard Volz spoke on how it is only $200,000 more than past year. He feels for $200,000 more than last year it gets the project started and then we can look at it again next year. Mr. Volz asked Mr. Bouchard after 10 years of this project what we would have to set aside in future years to maintain the roads. Mr. Bouchard said we could be looking at level funding it to keep the roads in shape. Kimberly Baker stated she badly dislikes this plan. The reason being it addresses the roads in okay shape first and then the bad roads second. She likes the idea of putting the money in the roads but does not like the plan. James Bouchard spoke about being as fluid as possible but both ways addresses some of the worst roads along with the good roads. Annette Nichols asked about why we wouldn't want to consider a bond because the interest rates are low right now. Mr. Viens said once we get that bond structure we lose the ability to modify the plan from year to year. Chris Johnson stated he would like to see the $250,000 used this year for repairs and then revisit the plan next year. The vote to approve the Article of $300,000 passed 39 yes to 14 no.

Article 6. Special Warrant Article. It was moved by Richard Hanson and seconded by Peter Louden to establish a Town Properties Stewardship Expendable Trust Fund per RSA31:19-a, for the purpose of periodic monitoring and long-term maintenance planning for Town-owned properties and Town Conservation land and appropriate the sum of $4,000 to put in this fund with the amount ($4,000) to come from Land Use Change Tax collected in 2016: further to name

the Selectmen as agents to expend from said fund. The Selectmen recommend this warrant article by a 3-0 vote. (Majority vote required). This Article was approved unanimously.

Article 7. Special Warrant Article. It was moved by Richard Drenkhahn and seconded by Peter Louden to raise and appropriate the sum of $135,000 to be placed in the following existing Capital Reserve Funds. ($120,001 appropriated in 2016). The Selectmen recommend this warrant article by a 3-0 vote. (Majority vote required). This Article passed by majority vote.

Town Beautification	$1,000	$1,000
Total Expendable Trust Funds	**$41,001**	**$130,001**

Article 9. It was moved by Richard Hanson and seconded by Bernard Volz to raise and appropriate the sum of $181,164 for the disposition of Solid Waste. ($179,536 appropriated in 2016). (Majority vote required). The Article passed by majority vote.

Article 10. It was moved by Richard Drenkhahn and seconded by Steven Caney to raise and appropriate the sum of $89,589 for the operation of the James E. Nichols Memorial Library,

$9,200 to be paid from trust and other funds and the balance of $80,389 to be raised by taxes. ($87,187 appropriated in 2016). (Majority vote required). The Article passed by majority vote.

Article 11. It was moved by Harry Viens and seconded by William Ricciardi to raise and appropriate the sum of $91,063 for recreational activities. Harry wanted to mention that Moultonborough has budgeted to contribute fifty percent of the $17,000 for fireworks. We just have to appropriate in the line for Patriotic Purposes. ($89,103 appropriated in 2016). (Majority vote required). The Article passed by majority vote.

	2017 Proposal	2016 Appropriation
Parks & Recreation	$46,163	$47,504
Patriotic Purposes	$29,600	$26,299
Town Band concerts	$15,300	$15,300

Article 12. It was moved by Richard Hanson and seconded by Karen Ponton to raise and appropriate the sum of $1,000 for the Centre Harbor Historical Society. ($1,000 appropriated in 2016). (Majority vote required). The Article passed by majority vote.

Article 13. It was moved by Richard Drenkhahn and seconded by Peter Louden to raise and appropriate the sum of $15,000 for Direct Welfare. ($20,000 appropriated in 2016). Majority vote required). This Article passed unanimously.

Article 14. It was moved by Harry Viens and seconded by William Ricciardi to raise and appropriate the sum of $44,868 for the support of the following health and welfare agencies ($42,736 appropriated in 2016) (Majority vote required). The Article passed by majority vote.

Agency	2017 Request	2016 Appropriation
Lakes Region Visiting Nurse Assoc.	$20,000	$14,468
Winnipesaukee Wellness Center	$6,000	$6,000
Community Action Program	$8,800	$8,800

Article 15. Special Warrant Article. It was moved by Richard Hanson and seconded by Bernard Volz to raise and appropriate the sum of $1,000 for the purpose of perambulating the Town boundaries. The Selectmen recommend this warrant article by 3-0 vote. (Majority vote

required). Mark Hildebrand asked what perambulating meant. Richard Hanson explained historically the Selectmen are required to walk the borders of the town to inspect and check the boundaries. Moderator Hanson added it is required by State Statute every seven years. The Article passed unanimously.

Article 16. Special Warrant Article. It was moved by Richard Drenkhahn and seconded by Maureen Criasia to raise and appropriate the sum of $5,000 for the purpose of the rehabilitation of the Center Harbor Town House; funds to be placed in the existing Heritage Fund. ($15,000 appropriated in 2016) The Selectmen recommend this warrant article by a 3-0 vote. (Majority vote required). Richard Drenkhahn stated that there are grants that need matching funds and this meets this need. Gwen Bronson spoke on how she is opposed to this whole project. She feels it a terrible place to have meetings and a dangerous spot to get in and out of. William Ricciardi spoke on his opposition to this project. It is too small to have any events and at Town Meeting last year we were assured that we were not going to be asked to contribute more money. He feels that we are throwing money away on something that is not going to come to fruition in the vision that has been presented. Kimberly Baker spoke as the chair of the Heritage Commission. Ms. Baker said the concerns that were brought up have been or are being addressed by the committee. The paint job was paid for by the Moose Plate grant. The money that was awarded last year is going to be used toward the foundation for this year. She does understand that the road is a huge issue and they continue to work with the State to deal with concerns. Once the building is gone we can't recreate it. We need to save the building right now. Ms. Baker was not aware with issues on the paint job but will have it inspected. Richard Hanson understands the safety concerns. He feels that as long as you look both ways and use caution it is not an accident waiting to happen. He feels the building is a part of our history and worth the rehabilitation. Richard Hanson explained the Heritage Commission has worked tirelessly to fund this project without asking for too much money from the Town. The Article passed by majority vote.

Article 17. Special Warrant Article. It was moved by Harry Viens and seconded by David Hughes to raise and appropriate the sum of $7,600 for the purpose of a Conditions Assessment of the Center Harbor School House building located at 94 Dane Road. The Selectmen recommend this warrant article by a 3-0 vote. (Majority vote required). Chris Johnson asked what this assessment includes. He feels we have a well-qualified building inspector and what is involved that he can't do the assessment. Harry Veins stated that we are applying for a grant that requires a thorough inspection. Peter Louden asked how much the grant was. Karen Ponton said it was 50 percent of the $7,600. Fred Wolf asked what the building is used for. Mr. Viens explained it houses a museum and a meeting place for the Historical Society. Mr. Wolf asked why we can't combine the two buildings. Moderator Hanson suggested people that haven't already been in the building swing in and take a look. This Article passed by majority vote.

Article 18. It was moved by Richard Hanson and seconded by Kimberly Baker to adopt the provisions of RSA **72:28-b All Veterans' Tax Credit.**

I. A town or city may adopt or rescind the all veterans' property tax credit granted under this section by the procedure in RSA 72:27-a.

II. The credit granted under this section shall be the same as the amount of the standard or optional veterans' tax credit in effect in the town or city under RSA 72:28.

III. The all veterans' tax credit shall be subtracted each year from the property tax on the veteran's residential property.

IV. A person shall qualify for the all veterans' tax credit if the person is a resident of this state who served not less than 90 days on active service in the Armed Forces of the United States and was honorably discharged or an officer honorably separated from service; or duty by a member of a national guard or reserve shall be included as service under this credit under RSA 72:28 or RSA 72:35. (Majority vote required).

If adopted, the credit will be in the amount of five hundred ($500), which is the same amount as the current credit for a veteran who served in a qualifying war or armed conflict; and any person desiring to claim the credit will be required to file an application with the Selectmen by April 15 of the tax year. The Article passed unanimously.

Article 19. It was moved by Richard Drenkhahn and seconded by Eric Strapp to allow a discount of two (2) percent on property taxes paid within twenty-two (22) days of issue of tax bills by the Tax Collector. The Article passed by majority vote.

Article 20. To transact such other business that may legally come before the Town Meeting, including to choose agents or committees in relation to any article of the Warrant and hear reports of any heretofore chosen.

Moderator Hanson introduced Mae Williams, who has been retained by the New Hampshire Division of Historical Resources (NHDR) as the preservation professional for a grant that Center Harbor has been awarded. Center Harbor has been chosen as the case study town to create a model survey process for identifying areas of historical and cultural resources. Ms. Williams lives in Center Harbor and is an architectural historian. Ms. Williams explained that she will be working with the Heritage Commission to do a risk assessment for cultural resources. In order to do so Ms. Williams explained she, along with help from others, will be gathering information on historic properties and hazards the town may face and the levels of importance to the community. This is a fully funded grant at no costs to the town. She asked for peoples' help in filling out questionnaires that may be presented to get their input on the level of importance to the resources in our town.

Harry Viens wanted to thank the town employees for all they do every day. He also wanted to recognize the Center Harbor Economic Community Development Committee for all they do for the town. They put on the Lobsterfest and the Skatefest all out of their own pocket. Last year they donated $5,000 toward the fireworks and this year they are donating picnic tables.

It was reminded by Robert Vogler to announce the results of the elections.

Mark Hildebrand asked to speak about High Haith Beach and the need for repair and monitoring. He remembers when he was young that it was just a beach with no boat launch. Somehow it has been designated a boat launch. He says that it has washed out so badly and he thinks that at the very least that the town could dump a yard of sand there and get it raked out. It is now a patch of weeds and looks so bad and it should be a beautiful spot. Harry Tower volunteered to help

clean it up and make it a beach again. The Selectmen agreed to look into getting the sand. Maureen Criasia couldn't agree with Mark more. She suggested that our Parks and Recreation Department work with the Department of Environmental Services with the cleanup. Bonnie Tower asked if it would be possible to enforce that only town residents and taxpayers use the area. Chief Chase said that they do patrol the area. He said that he doesn't believe that the ordinance requires a sticker and perhaps we should look into it. Steven Caney said he could not speak for the Squam Lakes Assoc. Board but to his knowledge he thinks that they would be interested in helping out with problems at the beach on enforcing the rules.

William Ricciardi asked how many live in the town. Moderator Hanson said he believed according to the last census there were 1,052 people.

Moderator Hanson asked if there was any further business that anyone wanted to bring before the town. With no further business it was moved by William Ricciardi and seconded by Peter Louden to dissolve the meeting at 8:24PM.

Respectfully submitted by,

Mary Richardson

Town Clerk

STATE OF NEW HAMPSHIRE
TOWN OF CENTER HARBOR

TOWN WARRANT

To the inhabitants of the Town of Center Harbor in the County of Belknap in said State, Qualified to vote in Town Affairs:

You are hereby notified to meet at the Cary H. Librarian's Report

Library Lighting Project. In February, the selectmen approved a bid to upgrade the lighting in the library bookstacks, repair existing fixtures, and deactivate circuits with dated knob and tube wiring. Work on the project took place the third week of September. The results were spectacular. Consolidated Electrical Distributors of Gilford provided the equipment and TNT Electrical Contractors of Laconia did the installation. Many heartfelt thanks go out to Annette Nichols, who managed the project, the town Energy Committee, the Board of Selectmen and the Library Board of Trustees for all their hard work in bringing these needed upgrades to completion.

Town Vitals go Online. Family researchers can use the web to browse records of Center Harbor marriages, births and deaths from 1800-1905. This information was transcribed from our index card file onto on a spread sheet, which was then uploaded into a searchable database. The database can be linked from the library and CH Historical Society webpages. Thanks go out to Amy Levesque (Ashland) for helping with the transcribing and Bobbie Slossar of the NH State Library for converting the spreadsheet to a database format.

Community Use of the Library. The Nichols Library continues to be a well-used and much appreciated community resource. We circulated 12,890 library materials, recorded 5887 Visits to the library and issued 73 new library cards.

Computers and Digital Media. Our digital resources were well used.

- The library's desktop computers were used 488 times.
- There were 277 recorded uses of the library's wifi server within the library
- Patrons logged onto Ancestry Plus for 571 sessions (43,473 searches) and 95 Heritage Quest sessions (2,258 searches).
- Patrons accessed EBSCO databases on NHewLink on 14 sessions for school, business and personal reference. This is an underutilized resource—asks us about it!
- Library staff copied, scanned and faxed numerous documents for patrons.

Services for Patrons. Library staff assisted visitors with information needs and services:

- Library staff answered 169 reference questions.
- Staff provided 178 cases of technical support in the use of digital resources
- Staff provided 137 readers advisories.
- The library borrowed 527 materials from other libraries for library patrons;
- The library loaned 963 items to other NH libraries.
- Our passes (Science Center, Castle in the Clouds) were used 53 times;
- Our bi-monthly email newsletter, articles in the Meredith News and posts on social media kept patrons informed on library news and events.

Building and Grounds. The Trustees had two out-sized flowering trees and beds removed from the front of the library. The resulting work restored the library's original look and improved sight lines from inside. The work was done by Stephens Landscaping.

Staff and Trustees. The Library Board of Trustees deserves special thanks for the many hours of service given to Nichols Library. Circulation assistant Glenn Walter and summer assistant Kim Anderson did their usual fine work in assisting patrons and processing materials. Librarian Jon Kinnaman completed the online vitals project, managed the library's social media program, sat on the Town's Joint Loss Management Committee and chaired the Scrooge and Marley regional library coop.

Friends of the Library. Many people who contributed to the well-being of the Library this year.

- The Center Harbor Selectmen supported our building needs and overall operations.
- Annette Nichols and the Energy Committee for their support of the lighting project.
- Leon Manville and the Town Fire Dept for keeping our walks cleared over the winter.
- Kevin Desmond and Bob Beem helped with general building maintenance.
- Altrusa of Meredith provided book deliveries to homebound patrons.
- The many patrons who donated materials and gave financial gifts to our general fund. .

Finally, we thank the people of Center Harbor for their ongoing support of this historic library.

2017 Annual report

Center Harbor Fire Department

In 2017, the Center Harbor Fire Department (CHFD) responded to 363 emergency calls, a 28 call increase (8%) over last year. Breakdown of calls were 167 fire calls, 157 medical emergencies, 20 motor vehicle accidents and 19 service calls. Statistically, Tuesdays were our busiest day with 63 calls, followed by Wednesdays and Fridays with 58 calls each. CHFD's busiest months were March and July with 50 calls each. Our average response time to all emergencies in 2017 was just over 7 minutes.

Currently we have 27 members and one Explorer serving the town. Twenty members are certified firefighters, (2 Career level, 6 Firefighter 1's and 11 Firefighter 2's). We have 16 EMS personnel, (11 EMT basics, 3 EMT Advanced and 2 Paramedics).

We will be looking to add an engine to our apparatus fleet. Our current apparatus includes 2 engines and a rescue truck. Engine 1 is a 2011 HME pumper with 1600 gallons of water and a 2000 gallon per minute pump. Our Engine 2 is a 2004 E-One pumper with 1000 gallons of water and would remain in service. A new engine would give us 2 front line pumpers and Engine 2 would mostly be used as a reserve. We also have a 17 foot Boston Whaler rescue boat that we keep at Station 1 on a trailer.

Our live-in student program continues to be a positive program for CHFD. Currently we have 2 students in the station that are gaining very valuable experience, not only in firefighting and EMS, but also living on their own. We are having continued success with our explorer program. Explorers are between 14-18 years old. They are introduced into the fire service by learning basic skills, while training and responding to calls with regular members.

As always, I need to thank all the members of the CHFD. With your dedication and selflessness, we can continue to keep the citizens and guests of our town safe.

Please remember to upgrade your old smoke detectors and change your detector batteries (change your clock – change your batteries). You should also add carbon monoxide detectors on each level of your home for added protection and safety.

Respectfully,

Chief Leon Manville

Report of Forest Fire Warden and State Forest Ranger

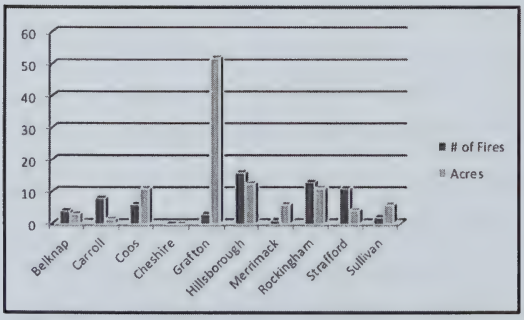

This past year we were fortunate enough to have favorable weather conditions in the spring and summer which limited the amount of wildland fire activity throughout the state. September and October saw fire conditions change and the state was faced with some difficult fires. The Dilly Cliff fire in North Woodstock was one of the most challenging fires we have seen in New Hampshire. Steep terrain and extreme fire behavior made this fire difficult to fight. It lasted for over 3 weeks and the final hotspots in inaccessible terrain were extinguished by heavy rains. Your local fire departments and the Division of Forests & Lands worked throughout the year to protect homes and the forests. The statewide system of 16 fire lookout towers continues to operate on high fire danger days. Our fire lookouts are credited with keeping many fires small due to their quick and accurate spotting capabilities. The towers fire detection efforts were supplemented by the NH Civil Air Patrol when the fire danger was especially high.

Many homes in New Hampshire are located in the wildland urban interface, which is the area where homes and flammable wildland fuels intermix. Several of the fires during the 2017 season threatened structures, a constant reminder that forest fires burn more than just trees. Homeowners should take measures to prevent a wildland fire from spreading to their home. Precautions include keeping your roof and gutters clear of leaves and pine needles, and maintaining adequate green space around your home free of flammable materials. Additional information and homeowner recommendations are available at www.firewise.org. Please help Smokey Bear, your local fire department, and the state's Forest Rangers by being fire wise and fire safe!

As we prepare for the 2018 fire season, please remember to contact your local Forest Fire Warden or Fire Department to determine if a fire permit is required before doing ANY outside burning. Under State law (RSA 227-L:17) a fire permit is required for all outside burning, unless the ground is completely covered with snow. Fire permits are also available online in most towns and may be obtained by visiting www.NHfirepermit.com. The burning of household waste is prohibited by the Air Resources Division of the Department of Environmental Services (DES). You are encouraged to contact the local fire department or DES at 603-271-3503 or www.des.nh.gov for more information. Safe open burning requires your diligence and responsibility. Thank you for helping us to protect New Hampshire's forest resources. For more information please contact the Division of Forests & Lands at (603) 271-2214, or online at www.nhdfl.org.

RED HILL FIRE TOWER

In January of 2017 John Schlemmer handed the Red Hill Fire Tower Association over to me. I worked with Ed Mayhew; former tower man, and David Mallard; member of the Lakes Region Conservation Trust, to gain a complete understanding of the mission of the Red Hill Fire Tower Association. When the State of New Hampshire, Division of Forest and Lands decided that they no longer wanted to maintain the Red Hill Tower for forest fire protection the Town of Moultonborough provided cover for the tower and when Town of Moultonborough no longer funded that position the Red Hill Tower Association was formed.

The association is funded by surrounding towns that help pay for coverage in the tower. We had two firefighters from Holderness that worked during high fire danger days in the summer. The majority of the summer was in a low fire danger so there was not a need to have someone in the tower for much of the summer. The fall had several days of high fire danger but by then the personnel we use to man the tower had returned to college. My plan for the upcoming year is to man the tower a minimum of two days a week and on all high fire danger days.

I will be meeting with David Mallard in the spring to talk about repairs and upgrades to the tower. We will also discuss what the Red Hill Tower Association can do to keep the tower up and running as a forest fire lookout for the surrounding communities.

Center Harbor Police Department

2017 Annual Report

The Mission of the Center Harbor Police Department is to improve the quality of life in our community in partnerships with our citizens to prevent crime, regulate traffic, preserve order, and protect the rights, lives, and property of all people. We strive at all times to establish relationships of trust with our community members who demand high levels of truthfulness, fairness, accountability and compassion. To accomplish our mission, we focus on five core values: Integrity, Respect, Competence, Service and Pride. Each member of the Center Harbor Police Department takes our mission seriously and embraces these values.

In 2017 our officers investigated a variety of crimes and troubling situations. For example, we dealt with a self-inflicted gunshot to the head. Fortunately, this subject survived, but this situation rapidly changed from a barricaded subject, to a lifesaving mission, to an investigative scene. Our Officers handled this situation appropriately and professionally, but the images from these types of calls do not leave your mind at the end of your shift.

2017 brought a rise in burglaries. One individual was arrested for entering a home while the family was sleeping in the middle of the night. The woman was caught and detained by the home owner. Another investigation involved multiple burglaries in the Winona Road area that involved several jurisdictions. A group of suspects were breaking into and staying in several houses. These individuals caused more than $100,000.00 worth of damage during their crime spree. Eight law enforcement agencies worked together to identify these perpetrators and make arrests. We used DNA to link two of these individuals to one of the burglarized houses in Center Harbor.

2017 also brought a significant increase in DWI arrests from both alcohol and drugs. There were 9 arrests made compared to 3 in 2016. In one DWI crash, the occupants would have likely died if it was not for a good Samaritan removing the driver and a child from the vehicle as it went up in flames.

Drug overdoses continue to grip the state and our region without prejudice. We have seen overdoses in people ranging from their late 20's to people in their 50's on everything from methamphetamine to carfentanil. With the public availability of Narcan we really do not know how many overdoses are actually occurring. Families are doing whatever they can to save the lives of their loved ones. It is an unfortunate sign of the times that we have equipped each cruiser with a needle storage box. If you do come across a needle or other drug paraphernalia, please call us to remove it and do not touch it. We will come with the proper protective equipment to dispose of it.

The Center Harbor Police Department continues to work on community safety through the use of NH Highway Safety Grants for additional patrols and with the Center Harbor Highway Safety Committee to identify areas in need of improvement. In a joint effort with the Board of Selectmen, we are having ongoing meetings with the Department of Transportation to address concerns on our state road.

In 2017 we saw an overall reduction in Crimes Against Persons and Crimes Against Property. We did see an increase in Crimes Against Society due to the increase in DWI's and family non-violent offenses. We ended the year with a total of 2657 calls for service. Part of those numbers include 32 arrests, 42 accident investigations, 58 alarms investigations, service of 7 domestic violence / stalking order, 57 animal complaints, 56 suspicious incidents, 43 motorist assist, 38 citizen assists, 35 motor vehicle complaints, 112 property checks, 27 right-to-know requests, 18 pistol permits, and 1258 motor vehicles stops. These numbers do not include the over 2000 business checks that are completed in the course of normal night patrol duties. There is never an acceptable level of crime but we will continue to work together to prevent and investigate all crimes. Center Harbor continues to be a great community.

We ended the year on a low note when Master Patrol Officer Donald Welch fell on the ice in the Police Department parking lot in December. He suffered a significant knee injury requiring surgery. It is anticipated that he will not return to duty for 9 months. Our thoughts are with him during his recovery.

I would like to remind everyone of our Good Morning Project for the elderly who live alone and our property check program for those who go away.

I would be remiss if I did not thank my fellow departments and the Board of Selectmen. We all work collaboratively to ensure projects get completed and services are delivered in manner fitting for our community.

As always, I ask that you call us with any concerns. Please remember if you see something that does not seem right, say something.

Respectfully submitted,

Chief Mark C. Chase

Center Harbor Parks & Recreation
2017 Annual Report

Skatefest: The Town of Center Harbor and the Center Harbor Community Development Association hosted the third annual "Skatefest" on February 18. All departments in the town assisted in making this event successful once again. Warm weather made for poor ice conditions but we had lots of family fun. People turned out to sample free food from local restaurants and businesses. Families enjoyed DJ music, the bon fire and smores, ice skating demonstrations and good old- fashioned winter fun.

Health Trust Employee Healthy Breakfast: The town employees gathered in February for a Health Trust sponsored healthy pancake breakfast.

Boat Launch/Fishing Tournament Revisions: Changes were made to the Facility Use Request Application –

- $15 per boat/per launch
- Memorial Day through Labor Day there shall be:
- **NO** tournaments on weekends
- **A limit of ten (10) boats mid-week with the exception of the 4th of July, where there shall be NO tournaments**
- Parking is first-come, first-serve and is limited to NO more than twenty-five (25)

Beach and Boat Launch Policies (ordinance adjustments added to website):

- The Center Harbor Boat Launch will be open with attendant Memorial Day weekend through Labor Day
- Personal floatation devices, whether recreational or coast guard approved, are NOT allowed in public swim area
- 3 hour limit on docking at the Center Harbor Town Docks…fine $35.00
- Docking 10 PM – 6 AM in not allowed…fine $35.00
- Boat trailer parking is not allowed at the Town Beach parking lot Memorial Day through Labor Day….fine $35.00

Center Harbor Day at the Monarchs: Center Harbor employees and families purchased tickets to enjoy a Center Harbor Day at the Manchester Monarchs on March 12. We

were able to get some great photos with players and mascot prior to the game. Woody Woodaman was the birthday guest of honor.

Easter Egg Hunt and Party: This annual event took place at the municipal building grounds and the fire station. What a turnout!!! The entire fire station was filled with people! There were two arts and crafts tables, raffle prizes, goodie bags and refreshments. It is nice to see attendance grow for this Center Harbor event. Many thanks go to the Center Harbor Fire Department for many helping hands.

Memorial Day: The weekend marks the opening for boat launch and our population grows with tourism. The Memorial Day Parade was truly successful as many people turned out to pay their respects. The Inter-Lakes Marching Band, Meredith Legionnaires, Center Harbor Fire Department Honor Guard and guests marched in the parade. Rev. John Eaton did a wonderful job with his word about past Center Harbor residents. Memorial wreaths were laid at the Military headstone at Nichols Memorial Library, off the Center Harbor Town Docks and at the Congregational Church cemetery.

Parks & Recreation Staff: Six part-time staff members were hired for the summer 2017 season - 1 returning WSI lifeguard, 2 returning lifeguards, 1 new lifeguard, 1 returning boat launch attendant and 1 new boat launch attendant. Boat launch staff started Memorial Day weekend and Lifeguards started June 22nd. Our staff works hard in all kinds of weather to assist summer residents and visitors in so many ways at the town beach and docks.

4th of July Celebration: Our annual 4th of July Celebration was once again amazing and truly successful. Many thanks go to the business sponsors for the CH Footrace! Volunteerism is so important and 25 volunteers and staff members assisted in the big footrace. Automatic timing was provided by Granite State Timing Services, results were instantly posted, and awards were finished up by 11:30 AM. There were 530 registered for the races this year. The 4th of July Parade was well-attended by many spectators. The Center Harbor Town Band performed the 4th of July concert with all of its patriotic glory with superior direction by Carlos Martinez. The fireworks were awesome with a big bang display, ending the celebration with a beautiful after-glow.

Parks and Recreation Activities: Activities open to the public include swim lessons, tennis lessons and arts & crafts at the beach. All activities and descriptions can be found at the Parks and Recreation website. The Kids Summer Beach Party was held in August at the Town Beach. This is a free event open to all children at the beach. Kids enjoyed a pizza party, scavenger hunt, gift bag prizes and make your own mini sundaes, which were provided by MVSB.

Parks & Recreation 2017 Revenue:

- 4th of July Footrace $14,466

- Swim & Tennis Lessons 575
- Boat Launch 11,790
- Fishing Tournaments 870 **Total P&R Revenue: $27,701**

Lobsterfest: The third annual "Lobsterfest", which was sponsored by the CHCDA business group and the Town of Center Harbor took place on August 3rd. Families had such a great time coming out to the fire station and main street for lobster or chicken dinners. Roughly 600 people attend this street event. Many thanks to the CHCDA businesses and volunteers who continue to do great things for our community!

Concerts: Under the direction of Carlos Martinez, the Center Harbor Town Band plays six concerts every Friday night from mid-June through early August. People look forward to the night out at the concert on Main Street at the Center Harbor Bandstand. Thereafter, guest concerts appear through the end of August. This year, we were honored by guest artists, "Annie and the Orphans", "60's Invasion", and "The Carter Mountain Brass Band".

Halloween Party: This is a traditional event held at the Municipal Building and Fire Station. Children come out in creative hand-made costumes to enjoy small town fun. A "treat hunt" took place on the municipal grounds. In the fire station, families came in to get warm and gathered for refreshments, cookie and cupcake decorating, arts and crafts, pumpkin decorating, photo station and community fellowship.

Many THANKS go to all the staff, volunteers and friends in Center Harbor for your support and appreciation. *Sandy Frost, Director of Parks & Recreation*

Center Harbor Town Band 2017

The Center Harbor Town Band (CHTB) had a total of six performances for its 2017 summer season including a 4th of July Parade, with three rehearsals for a total of ten group practice/performances. Thanks again to Charley & Jenn Hanson for providing their tractor trailer for the parades. We continue to be a great entertainment venue for summer visitors and for locals. This is evident because of the number of people who attended our concerts.

The town's 4th of July Fireworks event drew hundreds of people. The CHTB concert was approximately two hours in length including a local guest vocal soloist. Having vocal as well as instrumental soloists adds to the variety of a band concert program. After the concert, the fireworks show was spectacular.

The CHTB has a band member concert performance average of approximately 42 players. We have a roster of fifty-five, so our band member attendance continues to be strong. This year we added seven "new" players to our roster! The CHTB continues to draw instrumentalists from all areas of the state and the level of professionalism is quite high.

This year we had two "rain-concerts" where we had to perform in the fire station. This did not keep out audiences away though! People just crowded into the fire station and enjoyed the programs! Our audiences love the "sing-along" portion of the program. Many have complimented that they mostly come because of the "sing-alongs".

The CHTB would like to express its thanks and gratitude for the town selectmen's outstanding support. We would also like to thank Jeff Haines, Center Harbor Road Agent for his contributions each concert season in setting up the bandstand extension and for having the chairs and music stands available for the concerts. We especially thank Robin Woodaman and Sandy Frost, Parks and Rec. Director and the Town Office ladies.

A special shout out goes to Adam Schaub and the fire station personnel for their help every year in moving the fire trucks for our pre-season rehearsals and for their presence during our concerts. Adam was especially helpful asking his crew to help us move stands and chairs to the fire station during inclement weather.

The CHTB would also like to personally thank Ms. Tricia Craig, a flute player in our band. Ms. Craig is affectionately known as our "Facebookologist". For several years now Tricia has single handedly maintained our Facebook page and has done a fantastic job of constantly updating our concert events, inserting photos of our band members as well as our concert attendees. I have received many compliments from our local patrons about the CHTB Facebook page. Since our Facebook page is so popular, we have a very large fan base. Due to her work, the popularity of our band has grown both locally and across the web!

The CHTB also has a website where people can go visit to retrieve information about upcoming concerts and listen to band excerpts. The site address is: www.centerharbortownband.com

This year marked the eleventh year anniversary of my being town band director. I have greatly enjoyed bringing wonderful music and entertainment to the town of Center Harbor! It has been such a privilege and an honor working with such a great band and a fantastic and supportive group of selectmen and town employees!

2017 Center Harbor Planning Board Report

2017 was a relatively calm year for the Planning Board (Board) as there were few major issues to address over the year. The Selectboard appointed two new members, Mark Hildebrand, full time member and alternate member, Winnifred Boynton. In addition, the current Planning Board is made up of members Peter Louden, Bill Riccardi, Charley Hanson, David Reilly, Kelli Kemery, Selectmen's representative Harry Viens, alternate member Bob Coppo and Alternate/Planning Board Clerk Aimee Manfredi-Sanschagrin.

In 2017, the Board met 13 times, and reviewed or acted upon, the following proposals/issues:

- 50 Construction Permits were reviewed and issued in 2017, of which four were new structures
- Reviewed, and made additional changes to section 5:3:2 for 2018 Town Meeting consideration.
- Approved a site plan for Gary and Elizabeth Laflamme
- Approved a Boundary Line Adjustment for Paul Maggi and Nathan Dole
- Approved a voluntary merger for Kathryn McLaughlin Lots 208-056 & 208-057

The Center Harbor Planning Board will be reviewing the Master Plan objectives going into the new year and setting up a schedule to address those issues. In addition, the Board will address incoming plans as needed. It should be noted that Mr. Robert Beem was the only citizen to attend the meetings and hearing on the proposed changes to the accessory dwelling unit ordinance. Mr. Beem has been a long time participant in town governance and his wisdom and historical perspective was appreciated by the Board, so we could arrive at our final proposal to the Town.

The Board would like to thank our Circuit Rider Planner, Mike Izard from the Lakes Region Planning Commission (LRPC), for his service over the last several years. Mike has recently left the LRPC to pursue other endeavors and we wish to thank him for his work for the Town and hope his future is bright. The Board would also like to thank Code Enforcement Officer Ken Ballance, as it is important to understand what we may implement as policy affects those that are regulated. We also wish to thank Town Attorney Chris Boldt for his candor and good counsel. And, last but not least, the Board thanks our Clerk, Aimee Manfredi-Sanschagrin, for dealing with the day to day issues that come up, and keeping us informed in a timely manner, as well as keeping us organized.

I would also like to thank all the current members for their service to your community. At the end of the day, it is citizen participation that makes the community what it is, and we are fortunate to live in a vibrant community that has folks that want to participate.

The Center Harbor Planning Board meets the first Tuesday of the month at 7 p.m. Citizens are encouraged to stop by any time.

Respectfully submitted,

Charley Hanson, Chair

2017 Center Harbor Zoning Board of Adjustment Report

In 2017 the Zoning Board of Adjustment (Board) were seeking interested residents to fill four vacant seats. The Selectboard appointed two new alternate members Karen Ponton and Evelyn McAuliffe. In addition, the current Board is made up of Chairman Bernie Volz, Vice Chair Jean Meloney, Members George Lamprey, Chris Williams, Karen Peranelli, Palmer Smith, Alternate Member Anthony Avrutine and Zoning Board Clerk Aimee Manfredi-Sanschagrin

In 2017, the Board met four times and acted upon the following cases:

- Variance request for Pamela Markley which was granted
- Special Exception for Martin and Tristin Mannion which was granted
- Variance for Martin and Tristin Mannion which was granted
- Variance for Bradford Foster which was granted
- Special Exception for Lakes Region Conservation Trust which was granted

The Board recently updated their by-laws and have converted their applications to electronic formatting and submission through the Town's website.

The Board was saddened by the news of the passing of Evelyn McAuliffe in November. Even though Evelyn only served a short time, her enthusiasm and insight was appreciated by all.

The Center Harbor Zoning Board of Adjustment meets the Second Monday of the month at 7 p.m. as needed, meetings are open to the public. If you are interested in serving on the Zoning Board of Adjustment, please contact the Selectboard or Zoning Board Clerk for further information.

Thank you Board members for volunteering your time to serve.

Respectfully submitted,

Bernard Volz, Chair

Center Harbor Heritage Commission

This year's work on the Town House concentrated on its stone foundation and parts of its heavy timbered frame. Its age of 173 years was showing. Many of the problems resulted from sagging both stone and timber but were repairable.

The process was clearly described in the report entitled "Assessment and Feasibility Study" by the Architect and Structural Engineer for the Town. Bidding specifications and other requirements were advertised and the lowest bidder was awarded the contract in the amount of $41,000.

Total project funding came from various grants from the State of New Hampshire obtained by the Heritage Commission and donations also obtained by the Heritage Commission. There were no costs to the Town.

The Commission also secured skilled contractors at little or no cost that did important work at the Town House.

The Meredith Rotary Club provided a skilled carpenter who repaired the porch floor and a post that were in poor condition. It was a very professional outcome removing only what was necessary. The only cost was materials. Royea Graphics, a local company, restored the sign that had hung on the front of the Town House "for a long time" at no cost. TopNotch Tree Experts removed several trees and pruned others that were harmful to the Town House at low cost.

The Commission thanks these contractors.

The Heritage Commission and State of New Hampshire are working on a starting point for historic preservation planning. The intent is to help small towns improve their planning process, particularly the Master Plan. Some towns do not have a Master Plan while Center Harbor does and updates it on 6 year intervals. It was last adopted in 2012 and it is being reviewed this year by the Planning Board. Our expertise coupled with that of Mae Williams' professional experience has enabled Center Harbor to reach out to more areas of historic interest than before in our Master Plan. The number is now about 100 than the about 25 previously known locations. It is important to educate our children and citizens about our Town.

As part of this effort Rick Kipput, who has a master's degree from Plymouth State University, has volunteered to inventory, at no cost, barns in our Town. He has completed about 20 barns and continues to inventory additional barns.

The Commission thanks Rick for his effort.

I would like to thank Members of the Commission for their time and efforts.

David Reilly, Chairman

2017 Activities – Center Harbor Energy Committee

During the 2017 year of service to the residents of Center Harbor, the Energy Committee continued to focus efforts on various cost-effective energy-savings opportunities. The Committee completed the following projects and activities in 2017.

- In collaboration with the Center Harbor Trustees, installed stack lighting and dome illumination in the Center Harbor Library. This project was funded 60% by the Energy Conservation and Improvements Expendable Trust Fund, and 40% by the James Nichols Library Trust. The project includes high efficiency LED light fixtures specifically designed to improve lighting quality in the stack area, while respecting the historic aesthetic of the facility.
- Developed a plan and specifications to insulate the foundation walls for the heated portion of the Center Harbor Town Garage; replace the two entry doors with insulated doors; and improve the weather stripping for the overhead garage doors. The Committee's recommended solution and bid solicitation process was approved by the Selectmen late in 2017. The NHEC has conditionally approved the project for their rebate program, up to 35%. The project will be completed in early 2018.
- The Committee also investigated improving the wall and ceiling insulation; however, there needs to be further evaluation as to whether the structure can support snow loading if heat losses through the roof are significantly reduced. Additional insulation and sealing would require ventilation to maintain appropriate air quality.
- Welcomed new committee member Carol Sullivan. Carol brings her facility planning, technical writing and research expertise, as well as a specific interest in exploring potential PV/solar applications for Town benefits.
- Participated in regional energy committee meetings and Button Up Workshops to expand the committee knowledge of opportunities, and raise community awareness.

For 2018, the Committee will continue the activities started in 2017, including:

- Further evaluate energy conservation opportunities for the Town Highway Garage as a second phase.
- Encourage energy efficient applications for Town projects, including the historic Town House.
- Update and issue the recommended energy saving opportunities handout for new construction and renovations.
- Collaborate with Meredith and Plymouth Area Regional Energy Initiative (PAREI) Energy Committees as appropriate to identify opportunities to save energy. Work with the Lakes Region Planning Commission (LRPC) as appropriate for future energy opportunities.

The Energy Committee requests a 2018 appropriation of $10,000 (same as 2017) to the existing Energy Conservation & Improvements Expendable Trust Fund to improve the energy efficiency of the Town's facilities.

"The Energy Committee meets every 1st Thursday of the month at 7:00 PM in the Cary Mead Meeting Room. Agenda and minutes are on the Town's website https://www.centerharbornh.org/energy-committee/. Town residents are encouraged to attend meetings, especially if they have energy-related questions or suggestions."

Center Harbor Historical Society
2017 Town Report

From 1886 to 1970, the children of Center Harbor received their elementary education at Center Harbor Village Schoolhouse. The Schoolhouse continues it's education mission today by serving as the home of the Center Harbor Historical Society and it's museum. First as a school and now as a museum, the Center Harbor Village Schoolhouse has been in continuous public use for over 130 years.

In March 2017, Center Harbor residents appropriated funds at the Annual Town Meeting for a Building Conditions and Assessment report of the 1886 Village Schoolhouse. This assessment report would serve as a step-by-step Master Plan to preserve and revitalize this historic property. The report includes recommendations for needed repairs, deferred maintenance issues, and preventive maintenance. This report may be seen at: CHHISTORY.com .

The Center Harbor Historical Society had a good year in 2017. Our monthly meetings, programs and events were well attended and we had a few new visitor to the museum and programs, and brought in a couple new members.

We put together new displays showing a few new items of Center Harbor history not seen before, using pictures and artifacts of local history.

During the year we learned about one persons life during the Civil War; where some old hotels and buildings once stood; we learned about other different one-room schools; forgotten people in an old cemetery in No. Sandwich; and we learned more about Archie's girlfriend Betty, and had Archie's car, that was depicted in the comics, at the museum.

We are planning to have more new displays and informative, interesting programs to see as you come to the museum.

The Historical Society has been, overall a harmonious and great group of people since it's founding around Nov. 1976, over 41 years ago. Then, the society had a larger and somewhat younger membership of volunteers to support the Society.

Today, we are an elderly and much smaller society with fewer members willing to help with the support of the society in general, or serve on the Executive Board. The society has about 127 members with only 37 dues and donation paying members. The dues to the society, as well as the much appreciated donations given, are used to help support the society and our programs and events.

Someone said " you are all elderly people, you can't live forever and you need to bring in new people to the Society." JUST THE POINT I'VE BEEN MAKING

Roland Garland, President

CHCDA report for Center Harbor town meeting 2018

Another year has come and gone, complete with hopeful highs and unexpected lows. Early this year, we lost a dear friend and founding member of the CHCDA, Mary Lamprey Bare. She was instrumental in everything we attempted, and one of the reasons we succeeded. Her tireless energy, attention to detail and her savoir faire, helped make everything she was involved in, so much better. Mary will be sorely missed.

Now in our fourth year, The Center Harbor Community Development Association continues to dedicate our efforts to enhance and benefit the town of Center Harbor. (It's where we got our name from) The group includes volunteers from many of the businesses and organizations in the town area. We work closely with the Police, Fire, Highway, and Parks and Recreation departments, as well as the Board of Selectmen, who got this whole ball rolling.

We are volunteers, so there is never a cost to the town or the tax payers.

Currently, there are three yearly events that we sponsor. Skatefest, Lobsterfest, and Lighting up the town and town Christmas Tree for the holidays.

As of this writing, Skatefest 2018 hasn't happened yet...but we hope it was a great success and you all had fun!

2017 in review

Skatefest 2017 was another wonderful winter event for the town, in spite of the unusually warm weather (again) and poor skating conditions. We had skating demonstrations. We had free delicious food by our local restaurants and our hometown Super Market, music on the beach, a giant bon fire under the careful supervision of our amazing fire department (volunteers), safety by our wonderful Police department (no cost to town), clearing of the beach and parking lots by the incredible Highway department, and Parks and Recreation wearing multiple hats. We all came together to create a fun family day for all, just as it should be.

Lobsterfest 2017 was a huge success. It is our only fund raising event, which makes everything else we do, possible. With the help of all town departments, with special thanks to the Fire Dept., The CHCDA served 500 lobster dinners and almost 200 chicken dinners. Police Chief Chase volunteered to help serve food on his day off. After expenses, we were able to donate brand new banquet tables to the town. We are using some of them here at town meeting. We also donated a beautiful picnic table to the fire department, which they promptly made better by painting it "Fire Engine Red" and new lights for the bandstand and Christmas tree.

At the end of Small business Saturday, we had our annual Christmas Tree lighting. The Center Harbor Congregational Church made hot chocolate and our members made cookies. This year was extra special because several members of our town band, led by our beloved band leader Carlos, played songs and carols and everyone sang along. It was magical.

We hope to continue volunteering and contributing to this beautiful town of Center Harbor.

FOR TOWN ANNUAL REPORTS
LAKES REGION PLANNING COMMISSION
July 1st 2016 – July 30th 2017 (FY17)

The Lakes Region Planning Commission (LRPC) is an organization created by Lakes Region communities as enabled by NHRSA 36 for the broad purpose of responding to and shaping the pressures of change in a meaningful way. With a service area covering over 1,200 square miles in Belknap, Carroll, Grafton, and Merrimack Counties, the LRPC provides a wide range of planning services to member municipalities. As our economy and world change, so does the work we engage in. The Commission offers direct and support services to help our communities meet tomorrow's challenges. Our services include group and cooperative purchasing, technical assistance, geographic information systems, transportation planning, land use, environmental planning, hazards planning, and economic development. LRPC is primarily funded through local, state, and federal resources. We also maintain a regular dialogue with state agencies as a resource for the entire Lakes Region. Our overall goal is to provide support, knowledge, and guidance to the governments, businesses, and citizens of the Lakes Region.

Some of the services provided on behalf of the Town of Center Harbor and the region in the past fiscal year are noted below:

OUTREACH

- Participated in panel discussion on historic community planning in Center Harbor to outline details of community survey for historic properties that will be useful in the development of hazard and master plans;
- Discussed local impacts of land use regulations related to landscaping with Center Harbor official and NH Sea Grant staff in coordination for regional workshop hosted on March 27-28;
- Completed road segments and intersection legs for project on Bicycling Suitability;
- Finished the analysis and reports for traffic counts as requested by the Police Chief;
- Provided Center Harbor Circuit Rider part-time town planner services;
- Notified Select Boards of Commission terms and renewals;
- Provided copies of the NH Planning and Land Use Regulations book to the town;
- Researched potential savings to be realized if town joined the regional electricity aggregation project; and
- The regional HHW collection saves the town several thousand dollars per year based on what it would cost if it was bid out separately (not to mention that the regional collection protects the town from residents from another town illegally dumping in town).

REGIONAL SERVICES

- Hosted the June 26, 2017 Annual Meeting held at the Wolfeboro Inn in Wolfeboro NH, with featured speaker NH Senator Jeb Bradley. Approximately 100 attendees socialized, enjoyed the awards presentations and the Senator's speech;

- Began work on Electricity Aggregation that would ultimately save participating communities and school districts approximately $110,000
- Completed environmental assessments on contaminated properties throughout region to control liability and encourage redevelopment through Environmental Protection Agency (EPA) Brownfields Program;
- Provided solid waste technical assistance to Lakes Region Communities through a U.S. Department of Agriculture (USDA) Solid Waste & Water grant award;
- Provided Geographic Information System and map making, printing, and scanning services to communities throughout the region;
- Assisted planning boards, ZBA's, and conservation commissions with Technical Land Use Assistance;
- Convened and staffed Pemigewasset River Local Advisory Committee (PRLAC) meetings;
- Updated the PRLAC website; addressed questions about availability of information relative to Northern Pass testimony - minutes, agenda (10 years) and Management Plan; and sent follow-up information to PRLAC representatives, including legislative tracking links;
- Addressed Northern Border Regional Commission (NBRC) award ceremony in Ashland with NHDRED Commissioner Rose, NBRC Co-Chair and representatives from US Senator Ayotte and US Representative Kuster's offices;
- Continued interim Town Planner/Circuit Rider assistance to enrolled communities;
- Led Lakes Region community involvement in Regional Public Health Roundtable and webinar on Financing Climate Change Actions;
- Responded to numerous requests for reviews on Developments of Regional Impact, prepared draft comments, discussed with staff and municipal planners, corresponded with state and local officials, reviewed relevant state statutes, and explored methods of improving LRPC process;
- Assisted many Lakes Region communities in developing and updating Hazard Mitigation Plans for acceptance by NH Homeland Security and Federal Emergency Management Agency (FEMA);
- Provided Master Plan Update assistance to communities;
- Coordinated with NH Division of Historical Resources Architectural Historian regarding panel to assist in the development of historic resources survey through FEMA Storm Recovery Program;
- Maintained appropriate staff training in FEMA hazard mitigation planning;
- Maintained dialogue and provided critical regional information to US Census on draft New Hampshire Town-wide Area Form Proposal and Manual, and 2020 Census Local Update of Census Addresses (LUCA) Information Guide and website information;
- Worked to become designated as Local Development District (LDD) through federal Northern Regional Border Commission to make region eligible for grant funding program and assisted members with upcoming funding round;
- Assisted several communities with recruiting, interviewing, and hiring new Planning Department staff members; and
- Conducted Regional Shared Services Survey to gauge communities' interest in potential shared services and cooperative buying opportunities.

HOUSEHOLD HAZARDOUS WASTE

- Handled over 43 tons of Hazardous Substances from 25 Communities and safeguarded the region's overall water quality and environment through coordination of the 28th Annual Household Hazardous Waste Collection Days;
- Had the assistance of over 80 volunteers;

- Had record number of cars in attendance, 1,839;
- Business cards with supplementary information about the Lakes Region Household Hazardous Product Facility (LRHHPF) and disposal of unused medications were printed and distributed. New this year were colorful refrigerator magnets with contact information, collection reminders, and a recipe for a non-toxic cleaner;
- This was the first year of a contract with a new vendor, Clean Venture/ACV. This arrangement is an important step in controlling costs to the communities and LRPC; and
- Our survey asked about willingness to pay a disposal fee on both latex and oil-based paints to allow for recycling of unused paint. 74% of those responding approved of the concept.

EDUCATION

- Convened five Area and Full Commission meetings and facilitated discussion on: Solar power, Accessory Dwelling Units, Regional Electricity Demand Aggregation, legislation in the Lakes Region (including legislation on setback on seasonal docks, NH Energy Policy, and Complete Streets among other topics), a view from the NH Senate, and the Winnipesaukee River Basin Program;
- Provided valuable environmental consulting assistance through Phase I and Phase II Brownfield Assessments and redevelopment activity on nearly a dozen Lakes Region sites;
- Maintained a digital and traditional library of significant planning documents from air quality to zoning;
- Prepared strategic planning reports such as demographic studies, build-out analyses, and attitude surveys, etc.;
- Upgraded our website, www.lakesrpc.org to include an improved home page with a rotating display and links to our most visited pages, improved HHW page, a new Solid Waste page, improved community pages, link to our new Facebook page and much more;
- Developed and awarded Lake Winnisquam Watershed Management Assistance Program;
- Collaborated with other regional planning commissions through NH Association of Regional Planning Commissions and Executive Directors' meetings in Concord;
- Coordinated with Belknap county conservation district on regional aquifer protection ordinances and supported BCCD's efforts on bank stabilization project;
- Corresponded with staff and others regarding the Lake Winnisquam Watershed Homeowners' Association watershed protection efforts and coordinated Local Source Water Protection Grant outreach meeting with NH DES;
- Coordinated Source water protection workshop and review of groundwater protection model ordinance requirements with planning board representatives from 6 communities;
- Trained by NH DHHS in Climate Adaptation Strategies;
- Researched, developed with health partners and circulated Lyme disease resources and materials;
- Coordinated and hosted several Solid Waste Roundtable meetings. Topics included: Universal Waste, Electronic Waste, Composting, Recycling, and Plastic Bags; and
- Began development of a resource guide for municipal outdoors workers and landscapers.

ECONOMIC DEVELOPMENT

- Served as NH Business Finance Authority (NHBFA) Board member and voted on major credit and bond issues including loan guarantees for area businesses;

- Coordinated with area economic development groups including Belknap Economic Development Council (BEDC), Capital Region Development Corporation (CRDC), Franklin Business and Industrial Development Corporation (FBDIC), Grafton County Economic Development Council (GCEDC) and Mount Washington Valley Economic Council in pursuit of workforce development and growth opportunities for the region;
- Continued to work with area economic development organizations, and pursue relevant opportunities with the Economic Development Administration;
- Worked with NHBFA and City of Franklin officials to develop a loan application to perpetuate downtown development. Assisted city on whitewater park EDA application;
- Participated in search committee and interviews for NHBFA Executive Director; and
- Worked with Northfield EDC on wastewater system expansion.

TRANSPORTATION

- Continued working with the Lakes Region Tour Scenic Byway Advisory Committee to spur economic development and preserve regional scenic quality and visitor experiences;
- Provided Geographic Information System services and technical land use assistance to our communities;
- Conducted over 200 annual traffic counts around the region;
- Coordinated and conducted meetings of the regional Transportation Technical Advisory Committee (TAC) to enhance local involvement in regional transportation planning and project development;
- Assisted communities with Road Safety Management Systems analysis;
- Provided assistance to two public transportation groups: The Carroll County Regional Coordinating Council, and the Mid-State Regional Coordinating Council;
- Continued work on the Regional Transportation resources webpage;
- Conducted culvert inventories in pilot communities throughout the region;
- Conducted Catch basin inventories in Alton and Center Harbor;
- Supported Complete Streets regional discussion and state legislation;
- Coordinated with NHDOT Safety Engineer and municipal officials to establish Road Safety Audits in several communities; and
- Conducted regional assessment of regional bike-ability including gaps in bicycle and pedestrian infrastructure throughout the region.

LAKES REGION
Visiting Nurse Association
since 1925

Lakes Region Visiting Nurse Service has had a busy year caring for you, your family, friend or a neighbor; patients are discharged to home from facilities with greater medical and social needs more than ever before. We are happy that they are going home and we are happy to care for them. Elderly couples struggle to care for one another or themselves; their families are challenged to assist their loved ones while maintaining jobs, live distance away and often times coping with their own health care issues. LRVNA's clinicians are prepared and have the skills to help patients and their families at home with the focus on quality care. LRVNA offers a comprehensive scope of services including skilled nursing, physical therapy, occupational therapy, speech therapy, social work and personal care assistance. LRVNA is a Medicare/Medicaid certified and state licensed agency. Medicare recently awarded us with a 4 star rating for quality care and patient satisfaction as well as named LRVNA to the Home Care Elite list.

LRVNA is excited to report that we obtained our Hospice License in June of 2017 and we are now working on the Medicare Certification process. LRVNA is required to provide care to at least five patients before having a comprehensive survey by Medicare. We welcome Mary Ellen McCormack, BS, RN, CDP to our LRVNA team as our Hospice Director who brings with her a passion for end of life care. Mary Ellen has provided extensive training to our staff as well as volunteer education. Volunteers are a significant component to the hospice program to offer comfort and support to patients and their families; they also provide administrative assistance and support.

In this fast paced industry we must continue to address ways to improve efficiency and productivity; clinical staff utilize tablets to complete documentation on the Electronic Medical Record which is a web based program allowing staff access to updated patient information instantly; LRVNA is fortunate to have Mary Elliard who has a vision about technology and how to use technology to improve efficiency. Mary participated with the New Hampshire Health Information Organization on a State wide program to streamline the ability to share information between facilities called Direct Messaging.

LRVNA prides in being your local home health and hospice provider. We have made over 8,000 visits to patients in the communities we serve. In 2017 LRVNA provided 887 patient visits to Center Harbor residents in their homes. We continue to offer blood pressure clinics twice a month at the Lions Club during congregate meals on the 2nd and 4th Wednesday of each month. We also offer blood pressure checks at the LRVNA office week days 9:00 – 10:00 am and 1:00- 2:00 pm. We obtained our Laboratory License in order to offer PT/INR testing with a physician order during our office hours. Please contact our office at 279-6611 for further information or visit our website at www.lrvna.org. We provided flu vaccine clinics at a variety of public locations in the communities we serve. We offer community education at the Moultonborough Library and Meredith Community Center partnering with both Parks and Recreation Departments for community events. We accept Medicare, Medicaid and private insurance. LRVNA serves the communities of Center Harbor, Gilford, Laconia, Melvin Village, Meredith, Moultonborough, Ossipee, Sandwich, Tuftonboro, and Wolfeboro.

I know I speak for everyone at Lakes Region Visiting Nurse Association in expressing our heartfelt thanks and appreciation to the communities we serve for your ongoing support. LRVNA is here for you; please call us at 279-6611 for more information.

Debra Peaslee, RN
Executive Director

Community Action Program

The mission of Community Action is to work with low-income families, the elderly and those with handicapping conditions to assist them in their efforts to become or remain financially and socially independent. The Agency accomplishes this task by providing a broad array of programs that are locally defined, planned and managed. During the past year, we have provided $85,961.00 in services through the area center. In Center Harbor, we help with fuel and electric assistance, security deposits, emergency assistance and food from the Meredith Emergency Food Pantry. We also work hand-in-hand with other organizations to meet the needs of our residents. For those who are unable to come to the CAP office, we visit their homes and assess how we can help them. A portion of our funding that allows us to offer these services comes from the towns we serve. Center Harbor has been very supportive of our efforts over the years, and we are thankful for the Town's continued commitment to our programs. For more information, please contact us at 279-4096 or stop by our office at 147 Main Street, Meredith, NH.

Bob Adams, Meredith Area Center Director

As Inter-Lakes Day Care Center approaches its 50th anniversary we reflect back on the impact of its services on local children and families, and the programs, activities, and achievements that bring us where we are today.

Over the years, I-LDCC has provided early care and education for thousands of local children. We are given the opportunity to see many grow from infancy to their elementary years. Teachers strive to foster a connection with each family to enhance the child's quality of care, to promote learning, and to share in milestones and achievements. I-LDCC also celebrates its wonderful staff. Current full time staff have been employed an average of 18 years and are able to draw upon their varied teaching and parenting experiences to meet the needs of all children. Additionally, all staff complete many hours of professional development annually to stay abreast of the changes inherent in the field of child development.

I-LDCC is open 6:30am to 5:30pm Monday through Friday to make it possible for parents to maintain full-time employment. I-LDCC's variety of programs and services include: morning preschool, full and part-time care for infants, toddlers, and preschoolers, before and after school programs for school age children, summer day camp, healthy meals throughout the day, field trips, and collaboration with other local agencies to provide enriching programs. I-LDCC offers an environment that encourages the development of the whole child while fostering a sense of independence, responsibility, and self-control. I-LDCC provides breakfast, lunch and snacks daily through the Child and Adult Care Food Program (CACFP). Additionally, as a sponsoring agency, we facilitate meal reimbursements to licensed family day care homes who follow USDA guidelines to provide healthy meals and snacks to the children in their care.

I-LDCC strives to provide affordable child care to the families it serves. Through the State of NH's Child Care Scholarship tuition assistance is available to families with income up to 250% of the poverty guidelines. This helps parents who are employed, enrolled in degree or certificate programs, or who are temporarily disabled. Supporting families on the road to economic self-sufficiency helps ensure stability and routine for their children.

On behalf of the Board of Directors, staff, and families of Inter-Lakes Day Care Center, I would like to extend a sincere thank you to the Town of Center Harbor. We greatly appreciate the continued support for our center and our families.

Sincerely,
Connie Pelletier
Executive Director

REPORT OF NEW BEGINNINGS **Town of Center Harbor**

On behalf of New Beginnings – Without Violence and Abuse, I would like to thank the citizens of the Town of Center Harbor for their on-going support. Your 2017 allocation has enabled our agency to continue to provide trauma informed direct services including 24-hour crisis intervention, long term support and assistance, and outreach and education to people whose lives have been affected by domestic and sexual violence and stalking in all of Belknap County.

Our organization operates a full-time shelter with a food pantry and material goods; staffs a 24-hour crisis line; provides 24-hour advocacy at hospitals and police stations; provides court and social service advocacy; and offers non-judgmental support and advocacy on a one-to-one basis as well as in peer support groups. New Beginnings has programming for children and teens that have witnessed and experienced violence, including resiliency-based programs. Though we serve a small county, the need for services is great. We were able to do a Primary Prevention Programing in Meredith school system. We had advocates in Belknap County courts each working day of this budget year. New Beginnings is the only domestic and sexual violence crisis center serving Belknap County, offering support and advocacy to **914** individuals in FY17, including **33** residents of the town of **Center Harbor** and resulting in **9,897**individual services. Some of these services were provided by our volunteers, who donated over **23,000** service hours.

New Beginnings plays a significant role in the greater community. We facilitate outreach activities and offer education programs to businesses, clubs and groups. We also facilitate age-appropriate prevention programs for students in kindergarten through college, including topics such as conflict resolution, bullying, healthy relationships, and dating and sexual violence. We participate in many committees and commissions, including the Belknap County Family Violence Prevention Council, a task force made up of community members and professionals initiated by the Governor's Commission to take a stand against domestic and sexual violence in our county. New Beginnings partners with law enforcement through the Lethality Assessment Program (LAP), to reduce the rate of domestic violence homicides in Belknap County and ensure service provision to victims receiving police response. Advocates participate in the local Sexual Assault Resource Team (SART), a comprehensive collaboration of Belknap County Professionals dedicated to promoting efficient and victim-centered services in sexual assault cases; improving conviction rates and engaging victims' services focused on their health and healing.

We are 1 0f 13 member programs of the NH Coalition Against Domestic and Sexual Violence (NHCADSV), promoting statewide networking and resource sharing among domestic violence and sexual assault programs. The coalition is the evaluating body and administrator of state and federal grants and contracts that provide federal and state funding for member programs.

Sincerely,

Kathy Keller
Executive Director

Winnipesaukee Wellness Center
A Self-supporting Department of LRGH
78 Whittier Highway, #4, Moultonborough, NH 03254
P.O. Box 184, Center Harbor, NH 03226

The Winnipesaukee Wellness Center located at 78 Whittier Highway would like to express our sincere appreciation for the many years of financial support Center Harbor has extended to us. The Center was opened in 2000 to meet the needs of the Northern Lakes Region. We have been a self-supporting department of Lakes Region General Hospital since 2004.

The Center is open 3 days a week, Monday, Wednesday, and Friday from 6:30 A.M. to 3:30 P.M. Seniors are the main population at the Center with member's ranging in age from 56 to 92 with the average age being 73. Approximately 15% of our members are residents of Center Harbor and are appreciative that we have been able to keep our dues stable for so many years due in great part to the generosity of the Town of Center Harbor. There are an equal number of men and women who exercise at the Center. Financial assistance is available to qualifying members.

The Center has been able to keep dues low through the support of the surrounding communities. Our dues of $50.00 per month for individuals and $80.00 for couples cover approximately 65% of our expenses. The support from surrounding towns is supplemented by other small fundraisers throughout the year.

We are aware of the value of the Center as expressed by many members who feel comfortable exercising here under supervision of an Advanced EMT. Clients keep track of their heart rate, oxygen levels and blood pressures on an ongoing basis. Those who need supplemental oxygen while exercising are monitored, and we are able to check blood glucose levels if the need arises. Emergency equipment is also available if needed.

The Winnipesaukee Wellness Center is an important part of the town especially for our senior citizens. They engage in exercise and also interact socially with others in the surrounding communities. The Center's Mission is to promote individual health responsibility and to provide a safe, comfortable site to exercise and provide on-going support and encouragement for a healthy lifestyle.

Lakes Region Mental Health Center (LRMHC), formerly Genesis Behavioral Health (GBH) is designated by the State of New Hampshire as the community mental health center (CMHC) serving the 24 towns that make up Belknap and southern Grafton Counties. LRMHC provides Emergency Services 24 hours a day, 7 days a week, to anyone in the community experiencing a mental health crisis, regardless of their ability to pay. Additionally, LRMHC provides individual, group and family therapy; mobile crisis teams in the event a tragic event occurs that impacts a community at large, psychiatry; nursing; community support programs for people with severe and persistent mental illness; care management; community-based supports; housing; supported employment; substance use disorder treatment; and specialty services and evidence-based practices for children and their families, including trauma-focused therapy, art therapy and play therapy. Child Impact seminars are offered in Laconia and Plymouth for divorcing families. LRMHC owns two handicapped accessible vans and provides transportation services to patients in the greater Plymouth and Laconia areas as a means to enhance access to care in this rural area.

Founded in 1966, LRMHC provides comprehensive, integrated mental health treatment for people living with - and recovering from - mental illness and/or emotional distress. In Fiscal Year 2017, LRMHC's 190 employees served 3,883 children, adults and families. During this same time period, we provided over $988,234 of charity care.

In Fiscal Year 2017, 29 residents of Center Harbor received services from LRMHC, and **13** of these individuals utilized Emergency Services. LRMHC provided **$4,622.70** in charitable care to Center Harbor residents. The age breakdown is as follows:

	Patients Served-Agency	**Charitable Care in $**	**Patients Served-ES**
Children (0 to 17 years)	12	$160.00	5
Adults (18 to 61 years)	13	$4,255.30	6
Elder (62 + years)	4	$207.38	2

Your continued support will help us ensure the provision of 24/7 Emergency Services to people in crisis, as oftentimes emergencies are attributable to lack of health insurance and/or the financial resources necessary to seek preventative care. For many, Emergency Services at LRMHC are the gateway into treatment. Access to timely and effective treatment supports recovery, and minimizes further harm to the patient, the community, and other systems of care.

LRMHC is requesting **$1,500** this year; which is a level funded request. It is our hope that initiatives at the State level will lead to improvements in our mental health system, and that additional resources for communities will result in better outcomes for Granite Staters living with and recovering from mental illness. An investment from Center Harbor will be leveraged with appropriations from other communities to offset the tremendous cost of staffing the Emergency Services program round the clock. It will help us expand mental health services and increase awareness. Similar to a municipal police or fire department, Emergency Services is a safety net for ***all*** residents of your town, not just those utilizing the service. Your appropriation will ensure the provision of this essential service for the residents of your community and reduce the burden on your town.

Interlakes Community Caregivers, Inc.

Interlakes Community Caregiver, Inc. (ICCI) was founded in 1998 as an outreach program of the Center Harbor Congregational Church. The first group of 25 volunteers included six who served as coordinators. Working from their homes, these coordinators received requests from neighbors and contacted the volunteers who provided services for these neighbors. Volunteers were recruited and an office was set up in the church, where it remained until 2003 when the first annual appeal for funds was made. Community Caregivers of Center Harbor, Meredith and Moultonborough incorporated as a 501(c)(3) nonprofit organization in January 2004. Sandwich Caregivers joined and the name of the organization changed to Interlakes Community Caregivers, Inc. in 2012, adding Sandwich to services provided to people of all ages at no cost residing in Center Harbor, Meredith, and Moultonborough.

A ten-member Board of Directors governs the organization and offices and staff are located in Moultonborough. Interlakes Community Caregivers, Inc. provides nonmedical supportive services and information for our neighbors to assist them in their daily lives. Our organization is involved in helping people remain independent in their own homes, whether for a long term to age in place or for a short term to recuperate from surgery, accident or illness. We refer to those we serve as "neighbors" as we work from the premise of "neighbors helping neighbors." Although our services are available to those of any age in the four communities we serve, nearly half our neighbors are 80 years of age or older. The number of neighbors is more than three times the number of current volunteers, and the demand for services is increasing.

In 2017, twenty-two Center Harbor residents were registered to receive services, forty percent of whom are in their 90s. ICCI volunteers responded to 59 service requests from Center Harbor residents, representing 58.25 hours of donated volunteer time and driving 1,011 miles.

Local area transportation is provided for needs such as doctor and dentist appointments, lab tests, pharmacy pick-ups, grocery shopping, hair appointments. We accommodate extended-area trips (e.g., Boston, Manchester, Lebanon, etc.) for medical appointments. Transportation is provided by volunteers in their personal vehicles. Other services include friendly visits and all services are based on volunteer availability. All volunteers are trained and must complete a Volunteer Education program and are qualified by background checks for Criminal History, Driving Records, Elderly Abuse and Sex Offenses.

ICCI relies solely on grants, donations from individuals and organizations, fundraising events, and town support. We do not receive State or Federal funding. The contribution made by the taxpayers of Center Harbor is essential to our continued service to the community and very much appreciated.

New Hampshire and Vermont Region

The American Red Cross of New Hampshire and Vermont is on call to help our community 24 hours a day, 7 days a week and 365 days a year. A local Red Cross volunteer is often the first "neighbor on the scene" after a disaster strikes – offering a hot cup of coffee, a warm blanket, and a glimmer of hope to those in need. Supported primarily by volunteers, the Red Cross provides emergency support for victims of fire, flood, and other disasters as well as instruction in health, safety, and aquatics courses. Whether we are helping one family recover from a devastating home fire, providing emergency shelter and supplies to hundreds of families after a major disaster, or food and water for first responders, we have historically been a vital part of the local community.

It was our privilege to continue to serve the residents of Center Harbor and surrounding communities in 2017. In the past fiscal year, we have:

- Responded to 254 disaster incidents in our region, providing essential support to 1,139 individuals. We responded to 1 incident and served 4 individuals in Center Harbor.
- Collected 92,469 pints of blood and blood products at over 3,200 drives. 3 of these drives were in Center Harbor, where we collected 113 pints of life-saving blood.
- Empowered 1,100 trained volunteers to assist their neighbors during times of need.
- Taught over 15,000 health and safety courses, including one lifegaurding course in Center Harbor, where students learned lifesaving skills, including First Aid and CPR.
- Installed more than 2,200 free smoke detectors in homes and worked with families to create fire-evacuation plans. 134 of these smoke detectors were installed for your friends and neighbors throughout southern New Hampshire.
- Connected 628 military members with their families and loved ones with the help of our Service to the Armed Forces department, including 36 Belknap County residents who are currently serving.
- Proudly maintained an efficiency rating of 91%, meaning .91 cents of every dollar goes directly to support the programs and services provided by the American Red Cross.

Since the Red Cross is not a government agency, we rely on individuals, businesses, and local communities to support our efforts in helping to prevent, prepare for, respond to, and recover from emergencies. To that end, we are asking each community for a donation to support our work. We would greatly appreciate your support in the amount of $1,000.00 for the next year. Your partnership will help ensure that the American Red Cross has the resources to support communities throughout Vermont and New Hampshire when they need it most.

If you or someone you know experiences a fire, flood or other disaster and needs assistance, please call (802) 660-9130 option 1, anytime 24/7.

Sincerely,

Rachel Zellem

Court Appointed Special Advocates (CASA) of New Hampshire
2017 Town Report
Town of Center Harbor

Mission: Court Appointed Special Advocates (CASA) of New Hampshire strives to protect the rights of our state's most vulnerable children to live, learn and grow in the embrace of a loving family. Our purpose is to provide well-trained and caring Guardian ad Litem (GALs) for abused and neglected children who come to the attention of New Hampshire's courts through no fault of their own.

Our trained volunteer advocates speak for abused and neglected children's best interests in New Hampshire's family court system- including the Laconia Circuit Court, the court that serves children from the Town of Center Harbor.

	Statewide	Laconia Circuit Court
Children served in 2017	1,358 children	101 children

Currently, our trained volunteer advocates speak for children's best interests in about 81% of the abuse cases that came to NH's Family Court system. Since 1989, CASA of New Hampshire has served over 10,000 victimized children in our state.

Although the goal of a CASA advocate is to ensure that victimized children are placed in stable and permanent homes, there is still a constant flux of children in and out of the child protective system. These children are often relocated multiple times throughout the course of an abuse/neglect case- moving from one foster or relative home to another and transferring schools multiple times a year. Your support also helps children who are in a relative placement or foster home in the Town of Center Harbor, children who use the Center Harbor school system, or children with relatives/caretakers in Center Harbor.
